THE MOOD AND MEMORY IN AGING STUDY: MOMENT

Researchers from the Massachusetts General Hospital need YOUR HELP!

YOU MAY BE ELIGIBLE IF:

- Are age 70 or over
- Speak English
- Are experiencing symptoms of depression or have recently received a diagnosis of Major Depressive Disorder or Persistent Depressive Disorder
- Have someone close to you who can answer questions about your daily activities.

YOU WILL RECEIVE:

- 13-14 visits to the research center spread out over 5 years at MGH main campus and MGH Charlestown Navy Yard
- Evaluations including memory tests and brain scans
- Up to $1,350 for total study ($50-$200 paid per visit)
- Assistance with transportation as needed
- Dedicated relationships with research doctors and team members
- Periodic seminars on brain health, mental health, and aging

All information is kept confidential.
