

# Are you a caregiver for someone living with dementia?

We would like to invite you to share your thoughts and experiences in a virtual 60-minute focus group via Zoom.

## What is this study about?

We are interested in developing a program to support the wellbeing of caregivers of those living with dementia. We are particularly interested in hearing from caregivers experiencing stress and/or challenges due to their loved one's dementia related behaviors

## Who can participate?

- 18 years or older
- English fluency and literacy
- Must live with and care for an individual living with dementia

## Why participate?

- You will contribute to the development of a dementia caregiver support program that may benefit caregivers in the future.
- Participants will receive up to \$50 for their time.

## Interested in participating or just want to hear more about the study?
