

To learn about Eisai Patient Support for patients prescribed LEQEMBI, call **1-833-4-LEQEMBI (1-833-453-7362)** or [click here](#).

- **LEQEMBI Copay Assistance Program**

The LEQEMBI Copay Assistance Program is sponsored by Eisai. This program is available to help eligible commercially insured patients with their medication cost. Patients with a state or federally funded insurance, such as Medicare Part B or Medicaid, are not eligible for the program.

Terms and conditions can be found here:

<https://www.eisaipatientsupport.com/patient/leqembi/?leq=4>

- **LEQEMBI Temporary Supply Program**

The Temporary Supply Program (“TSP”) provides a temporary free supply of up to 75 days of LEQEMBI for eligible, commercially insured patients awaiting a coverage determination from their insurance provider for five or more business days.

Terms and conditions can be found here:

<https://www.eisaipatientsupport.com/patient/leqembi/?leq=4>

- **LEQEMBI Patient Assistance Program**

The LEQEMBI Patient Assistance Program is for patients who need help paying for LEQEMBI. This program provides LEQEMBI at no cost to uninsured and financially burdened patients who meet the program eligibility criteria.

Terms and conditions can be found here:
